# What is FOT?

Friends of Thurnham (FOT) is a registered charity (no: 1168528) that supports the education of our children through fundraising to provide new educational resources to benefit and enrich learning.

FOT also organises fun and enjoyable events to bring the school community of children, parents, carers and teachers together.

# Why?

## 'Helping Our Children Grow'

We all want the best opportunities and experiences for our children at school, and through fundraising we can provide additional resources to help achieve just that.

This not only helps aid learning but gives a well rounded and positive experience of school. School funds only go so far!

# FOT 20/21

October 2021 saw the resignation of all committee members from the previous FOT team.

£10,000 was transferred to the school for playground equipment and books.

# FOT 21/22

A new FOT Team was elected in October 2021

- Chair: Joanna
- Co-Chair: Angela
- Treasurer: Sue
- Secretary: Natalie
- Members: Cecile, Michelle & Naomi (joined later in the year)
